## **Pastoral Search Committee Update**

As previously indicated in the last couple of editions of the Lighthouse, the Pastoral Search Committee had sent out additional information regarding the church to 10 men. Positive responses were obtained from five of these individuals. This past Tuesday the committee agreed that two of these men were significantly more qualified (based on background, education and experience) than the other candidates and put forth these men to the elders for their consideration. More information will be forthcoming from the elders as to where the pastoral search process goes from here.

The 18<sup>th</sup> Annual Penny Pickers is the Nashua Pastoral Care Center's most unique fundraising event! Volunteers will once again canvass neighborhoods in Greater Nashua for three weekends in the fall collecting spare change to support the Care Center's programs. Each Penny Picker can be identified by their bright yellow apron. This well publicized event has taken on a life of its own and has grown every year since its inception in 1992. In addition to the Penny Pickers penny containers are housed at local businesses and organizations throughout the community for the month of November.
