June 6, 2008

"Again, I tell you that if two of you on earth agree about anything you ask for, it will be done for you by My Father in heaven. For where two or three come together in My name, there am I with them."

Matthew 18:19-20

This week in Bible class, **First Graders** learned in our "Character Builder", series that to be more like Jesus, we must be "fair" to each other. Just as Jesus loves everyone the same, we must treat everyone equally too, so no one feels sad.

As a reward for filling our "Good Behavior" jar with marbles, **First Graders** enjoyed an ice-cream clown sundae party. Thanks to **Mrs. LaValley** for coordinating the sundae donations and thanks to all who contributed.

Happy Summer Birthday to **Mrs. Scott!** Thank you for a fun Art year and also for donating many bug catching kits, which are a hit on warm days.

Congratulations to our "Super Subtractor", **Lydia Jennings**, who has mastered her subtraction facts and is now starting multiplication. Congratulations to **Arianna Taylor**, this week's "Ravenous Reader" who has completed a stamped card of twenty stickers for book reports given.

We look forward to candling our chickie eggs to see any movement inside the eggs. In four days the chickies should be making their "eggs-it" from their shells. The countdown begins!

Mrs. Warren
First Grade

"Even a child is known by his actions whether his conduct is pure and right."

Proverbs 20:11

In Bible this week, the **Second Graders** will conclude their look at generosity. We will study the generous habits of Dorcus. We will see how Paul gave up everything to become a missionary.

In Arithmetic, we will continue our review of place value, multiplication and long combinations. We will finish our unit on spiders and begin a unit on reptiles in Science.

Thank you **Mrs. Scott** for teaching Art to us. Your creativity is greatly appreciated.

Miss Ohlin
Second Grade

"He who was seated on the throne said, 'I am making everything new!' Then He said, 'Write this down, for these words are trustworthy and true.'"

Revelation 21:5

In Bible this week the **Third Graders** finished their study in Revelation and learned that God's Word has authority over man because it is trustworthy and true. I like the promise in Revelation 1:3 that "whoever reads the words of God, hears them, and takes them to heart are blessed." We are truly blessed – praise God!

In English, the **Third Graders** finished a unit about simple subjects and simple predicates – not always a simple concept! They also studied about the difference between subject and object pronouns.

The **Third Graders** finished their spelling book this week. We did a math problem to work out how many spelling words they studied this year – the total is 946 words!

The **Third Graders** finished reading together an interesting story, called These Are My People, about Gladys Aylward who dedicated her life to being a missionary in China. We are also watching the movie that was made about her life.

Mrs. Green
Third Grade

"The Lord is my shepherd, I shall not want. He makes me lie down in green pastures, He leads me beside quiet waters, He restores my soul. He guides me in paths of righteousness for His names sake."

Psalms 23:1-3

This week in Bible class, we finished our study of Revelation. We learned that God has not only promised to give eternal life to those who believe, but an eternal home in Heaven. What a wonderful promise from God! How happy we are to join with John in saying "Come, Lord Jesus."

The **Fourth Grade** is busy finishing up all our academics. We are reviewing in **Fourth Grade** Math for our final exam! In Science, we have finished our Ocean unit and will be doing a mini unit on Sound and Hearing. We are finishing up **Fourth Grade** English with a unit on Research papers, and combining it with our N.H. History to do a research paper in class.

Mrs. Carlson
Fourth Grade

"All scripture is God breathed and is useful for teaching, rebuking, correcting, and training in righteousness, so that the man of God may be thoroughly equipped for every good work."

2 Timothy 3:16-17

In **Fifth/Sixth Grade** Bible class this week, we surveyed the book of Thessalonians. We learned that Thessalonica was a model church for its surrounding towns in Macedonia. They were known for their faith and their service to the Lord. What are we known for?

As the **Sixth Graders** wrap up their time here with us at Grace, they are excitedly working on a historical fiction using the setting of their choice to develop their characters for their last English project. We will conclude our Geometry unit and touch upon some algebraic functions next week.

The **Fifth Grade** Science class will finish their Ocean unit next week. They had fun making their sea creature with clay. It also helped us identify the sea life at Odiorne Point State Park. The students biographies on classmates were very interesting to read!

In History class, the **Fifth Graders** are finishing up the year learning about Australia. In the **Sixth Grade** class we are completing our study of South America. The **Sixth Graders** are very excited about graduating next week!!

Here's another Limerick:

Free Verse:

A young boy named Chase
Ran in a foot race
But he wasn't very fast
For his leg was in a cast
And plopped on his face.
By, **Teilen Simkin**

Home Soon
Bam! Ever since that accident
He never was the same again
I rode by to see him
He was there in his bed
He looked sad and lonely
They wanted him home soon
Everyone felt guilty for him
They went to go see him
One more time
He smiled and said,
"It will be OK"
"I'll be home soon."
By, **Nakahla Jennings**

Mrs. Busch/Mrs. Whitney
Fifth/Sixth Grade

SIXTH GRADE GRADUATION

*The **Sixth Graders** will be having their Graduation on Friday, June 13th during Chapel. Be sure to join us for this special celebration. Refreshments will follow.*

Campbell Soup Labels and Box Tops

Continue to save Campbell Soup labels and Box Tops for Education over the summer. We will start collecting again in September.
